

# Slick Productions Patch Archive

## Note

This page contains all the FF6 patches that were available on [Slick Productions](#). The site suffered some outages in the past and has been down for more than a year now. These patches were uploaded/created for the most between 2006 and 2013.

## Patches

| Patch Name                                       | Version | Author(s)                                          | Download                 |
