## User Groups

If you are a forum user registered after 02/2016 or someone that is not registered on the forum, you can register on the wiki and will automatically be granted the **User** status (edit rights only). When we see you are active on the wiki and that you are not a troll/spammer/bot, you will be placed in the **Tech** group. An additional probation period and proof of activity is necessary to be in the **Publisher** group.
